

# A People` History of the Lake of the Ozarks

Dan William Peek

For tourists, the beautiful Lake of the Ozarks must seem in complete harmony with the natural order of its surroundings. Even lifelong natives can struggle to imagine a time when the reservoir created by the Bagnell Dam didnt exist. But beneath the placid waters of the lake that draws bustling visitors to its shores lies the drama of a remote Ozark community suddenly thrust into an urban world. True locals Dan William Peek and Kent Van Landuyt piece together the fascinating story of how that community adapted to the lake that redefined their home.
