

People` Work

Elly De Heer

The night enveloped him like a blanket. He sat alone at a parking garage. I walked past him and looked at him. Nothing more than a junkie, I thought involuntarily, but noted at the same time that he did not smell of drugs and he looked neat. I chided myself not to judge too quickly. Peoples Work is a collection of stories about people, their humor, fear, anger, and happiness. Elly de Heer (1946, Rotterdam) started writing while in high school. Her vivid imagination and love of the spoken and written words are reflected in this collection of short stories.
