

# Peppa Pig: School Bus Trip - Read it yourself with Ladybird : Level 2

Ladybird

Peppa and her friends are going on a school bus trip. What adventures will they have when they visit the mountains? Based on a story featuring the enduringly popular Peppa Pig. Read it yourself with Ladybird is one of Ladybirds best-selling reading series. For over thirty-five years it has helped young children who are learning to read develop and improve their reading skills. Each Read it yourself book is very carefully written to include many key, high-frequency words that are vital for learning to read, as well as a limited number of story words that are introduced and practised throughout. Simple sentences and frequently repeated words help to build the confidence of beginner readers and the four different levels of books support children all the way from very first reading practice through to independent, fluent reading. Each book has been carefully checked by educational consultants and can be read independently at home or used in a guided reading session at school. Further content includes comprehension puzzles, helpful notes for parents, carers and teachers, and book band information for use in schools. Peppa Pig: School Bus Trip is a Level 2 Read it yourself book, ideal for children who have received some initial reading instruction and can read short, simple sentences with help.
