## Per Column Inch : The Complete Gay Times HIV Columns

Paul Thorn

Per Column Inch - The Complete Gay Times HIV Columns, are the entire collected scribbblings of columnist Paul Thorn about his life with HIV, published in Gay Times (GT) between December 2004 - July 2009. Whether celebrating the life of the late Denholm Elliott and mourning with his widow, being stalked at an AIDS conference, freaking out over a health crisis, wrestling with life insurance or railing against World AIDS Day, his writing is never less than engaging, pertinent, passionate - and however trying his situation, there is always humour - sometimes dark - lurking nearby. Joseph Galliano, Former Editor, Gay Times (GT)
