

Percy the Pimple` Bionic Love Ray Machine

Barry John Westley,Randolph Hutton

Percy has a boring holiday, until he meets a stranger who convinces him to make a magical machine, which will save the world from its violence and hatred. Unfortunately, this is not a simple task, and Percy must face problems and brave mortal danger if he wishes to succeed. A charming, simple tale, set in the 1980s, but now more relevant than ever.
