

Perfect Chemistry

Simone Elkeles

When Brittany Ellis walks into chemistry class on the first day of senior year, she has no clue that her carefully created perfect life is about to unravel before her eyes. Forced to be lab partners with Alex Fuentes, a gang member from the other side of town, Brittany finds herself having to protect everything shes worked so hard for - her flawless reputation, her relationship with her boyfriend and, most importantly, the secret that her home life is anything but perfect. Alex is a bad boy and he knows it. So when he makes a bet with his friends to lure Brittany into his life, he thinks nothing of it. But the closer Alex and Brittany get to each other the more they realise that sometimes appearances can be deceptive and that you have to look beneath the surface to discover the truth. compelling and addictive... Ive still got that wow feeling you get after reading a great book wondrousreads.com Perfect Chemistry is a novel to obsess about. It is a book that you should drop everything for...the most romantic love story that I have ever read. thebookette.com captures that rush of feelings associated with first love thebookbag.com Elkeles pens plenty of tasteful, hot scenes...that keep the pages turning. The author definitely knows how to write romance. Kirkus Review
