

Perfect Hearts

Autumn Jordan

Blockbuster movies, platinum records, and great literature laud it. Every living soul searches for it. Carrie Twines livelihood depends on it. In Black Moose, Vermont, everyone seems to be in love. Their bliss reminds Carrie of what she lost as a teen when heartache sent first loves on different paths. However, a game of chance brings back the man she walked away from years ago. Lukes even more kind and sexy than he was fourteen years ago, but can she trust him with her heart again?
