PRAISE AND RECOGNITION FOR "PERFECTION UNLEASHED"? Second place winner, Science Fiction, Royal Palm Literary Awards, 2011 * Finalist, Science Fiction, Next Generation Indie Book Awards, 2012 * "A breakout piece of science fiction"? Royal Palm Literary Award judge ***** Two men, one face. One man seeks to embrace destiny, the other to escape it. Danyaël Sabre spent sixteen years clawing out of the ruins of his tortured childhood and finally has everything he wanted—a career, a home, and a trusted friend. To hold on to them, he keeps his head down and plays by the rules. An alpha empath, he is uniquely powerful in a world transformed by the Genetic Revolution, yet his bitter experience has taught him to avoid attention. When the perfect human being, Galahad, escapes from Pioneer Laboratories, the illusory peace between humans and their derivatives—the in vitros, clones, and mutants—collapses into social upheaval. The first era of the Genetic Revolution was peaceful. The second is headed for open war. Although the genetic future of the human race pivots on Galahad, Danyaël does not feel compelled to get involved and risk his cover of anonymity, until he finds out that the perfect human being looks just like him.
