

# Perilous Times Shall Come : A Fictional Novel on the End Times

Dr Arv Edgeworth

Are we living in the rapture generation? Did you know there are two very important prophetic milestones that are set to occur in 2017 and 2018? What diabolical plans are going on behind the scenes that could reshape the future of our world? Cathy Morris and Dan Winters couldnt believe what they were hearing and observing. First the crop circles, then the MIBs, and now this. Was this all just a bad dream? What was going on in their world? It seemed that strange and bizarre happenings were beginning to escalate. Where would all this lead? Would their world ever again be the same?
