Xaverie is a young woman who is scheduled to attend one of Second Earth's most prestigious schools. She soon becomes an integral part of a group of peers, and they all come to find that the school is more than it seems to be. Every cage has a lock that can be picked, and this group is about to break free. However, freedom has its own consequences, and Xaverie and her friends will find themselves in more trouble than they can imagine.
