

Perimeter Threat : Hell Comes to Concrete

Peter Randolph Keim

Concrete's Ghost Walk is once again, in jeopardy. Luther, the Stetson-crowned, malevolent ghost has returned, this time he brings a sinister friend. Both have an agenda that could destroy Concrete. And take Cement City's children as well. Skagit County Deputy, Jesse Crater has few options dealing with the phantom. Even fewer dealing with his cohort from another world. Time is running out. All Hallows Eve approaches.
