

The `People Power` Love-Lust Superbook Book 28. Gay, Lesbian, Bisexual Guide 2 (Gay Resources Around the World)

Tony Kelbrat

Your best bet to find either gay and lesbian nightclubs, social clubs, support groups, bath houses and bed & breakfasts (B&Bs)/ inns is to look in the phonebook, find a local gay newspaper, call a few gay support organizations in any area or get some directories from a gay bookstore. Look for your local gay and lesbian newspapers. Get the ones located closest to where you live. There are hundreds of gay clubs, bath houses, support groups out there hidden from public view so if youre gay and looking for contacts, its all out there, you just have to know where to look. Just about every fair sized town has an Aids help center, a gay help organization, a sexual assault and domestic violence helpline and many colleges and universities have gay groups, Std organizations, etc. Simply call up your local college and ask or get a college calendar and look through it. If you find an address for a gay support organization and youre gay, go to them for info about gay social and nightclubs in your area.
