

# The People We Hate at the Wedding

Grant Ginder

Its for the same audience that flocked to *The Nest*, *Whered You Go*, *Bernadette?* or dare I say a little book you might be a fan of, *Crazy Rich Asians*.-- Kevin Kwan, New York Times bestselling author of *Crazy Rich Asians* Entertainment Weeklys Summer Must-Read A Publishers Weekly BEST SUMMER BOOKS, 2017 Redbooks 10 Books You Have To Read This Summer Relationships are awful. Theyll kill you, right up to the point where they start saving your life. Paul and Alices half-sister Eloise is getting married! In London! There will be fancy hotels, dinners at it restaurants and a reception at a country estate complete with tea lights and embroidered cloth napkins. They couldnt hate it more. *The People We Hate at the Wedding* is the story of a less than perfect family. Donna, the clans mother, is now a widow living in the Chicago suburbs with a penchant for the occasional joint and more than one glass of wine with her best friend while watching *House Hunters International*. Alice is in her thirties, single, smart, beautiful, stuck in a dead-end job where she is mired in a rather predictable, though enjoyable, affair with her married boss. Her brother Paul lives in Philadelphia with his older, handsomer, tenured track professor boyfriend whos recently been saying things like monogamy is an oppressive heteronormative construct, while eyeing undergrads. And then theres Eloise. Perfect, gorgeous, cultured Eloise. The product of Donnas first marriage to a dashing Frenchman, Eloise has spent her school years at the best private boarding schools, her winter holidays in St. John and a post-college life cushioned by a fat, endless trust fund. To top it off, shes infuriatingly kind and decent. As this estranged clan gathers together, and Eloises walk down the aisle approaches, Grant Ginder brings to vivid, hilarious life the power of family, and the complicated ways we hate the ones we love the most in the most bitinglly funny, slyly witty and surprisingly tender audiobook youll listen to this year.
