

The Perfect Navy Wife

Adeline `Jo` Puccini

The Perfect Navy Wife chronicles almost a half century of Navy life as experienced by a dedicated military family with much to give and even more to lose. After a remarkable career as a naval aviator flying off fourteen different aircraft carriers in almost every type of aircraft used by the Navy, earning a top gun status in his squadron, his husband is assigned to Washington, D.C., to deal with the political aspects of his career. An ambience between military and political factions leads to tragedy and the Navy wife is expected to rebuild the two lives that are nearly destroyed. One succeeds and one fails. This story depicts the never-ending need to rise above what is tragic and unfair and to move forward. To quote the editor: "This is a fascinating story about two very accomplished people in a noble venture."
