

The Perfect Scandal

Delilah Marvella

THE MARQUISS MYSTERY LADY If there is anything Tristan Adam Hargrove, fourth Marquis of Moreland, has learned to avoid, it's scandal. For the dark and dashing lord is an honourable gentleman who would never seduce a woman for his own gain. When a raven-haired beauty arrives as his new neighbour, he knows better than to succumb to the desire he feels. He knows little about her, only that she is high born, a protegee of the Crown and completely unsuitable for indulging his male instincts. If only he had never glimpsed the vulnerable beauty one fateful night. If only it were not already too late to save her and himself from their untamed passion!
