Ian Janssen

This is a series of childrens books about Pierre the Fox, Polly the Crow and many of their animal friends, who are always finding trouble around Loon Lake. The children from the Green Cabin, and the animal characters in the stories, unknowingly interact with each other, sharing their adventures. In the fifth book, The Perils of Pierre, Close Call, Pierre and Polly go to investigate why the four kids from the green cabin are setting up a camp at the west end of the lake. Polly discovers the kids may be in danger and with the help of Pierre and other woodland friends band together to save the day and the food for Pierre.
